12 PROTESTS, ARBITRATION AND REQUESTS FOR REDRESS

The Exoneration Penalty, Advisory Hearing and RYA Arbitration Service is available at Poole Yacht Club. A full explanation is at

www.rya.org.uk/racing/racing-rules/Pages/rules-disputes-process.aspx

12.1 Advisory Hearing

Use this if you just want to learn whether you were in the right or wrong. ·

An incident has occurred and no party wishes to protest, but instead wants to learn for the future from what happened.

- i) Request an Advisory Hearing from the Race Committee, within the protest time limit.
- ii) No protest form is required.
- iii) The parties describe what happened then a Rules Adviser explains what rules may have been broken and whether anyone was in the wrong.
- iv) No one is disqualified or penalised, although a boat in the wrong may accept a post-race penalty (20% Scoring Penalty as RRS 44.3 (c)) or retire.

12.2 RYA Arbitration

Use this if you want the dispute resolved quickly and simply. This is not as formal as a Protest Hearing and the potential penalty is not as damaging to a boat's score.

- i) An incident has occurred and a valid protest is lodged within the normal time limit.
- ii) All parties agree to opt for RYA Arbitration and meet with a Rules Adviser.
- iii) The parties describe what happened, and the Rules Adviser will decide whether any witnesses should be called.
- iv) The Rules Adviser explains what rules may have been broken and whether anyone was in the wrong.
- v) A boat in the wrong is asked to accept the post-race penalty (see SI 12.1).
- vi) No one is disqualified.
- vii) If the post-race penalty is not accepted, the protest may go to a formal protest hearing.
- viii) There are occasional scenarios when it is not possible or correct to resolve a dispute by RYA Arbitration and instead it has to be taken to a formal protest hearing.

12.3 Full Protest

Use this if the dispute is complex, or if there has been injury or serious damage or a boat gained a significant advantage by her breach, or if it is a request for redress.

- i) An incident has occurred and a valid protest is lodged within the normal time limit (see SI 12.3.2).
- ii) A traditional formal hearing of the parties with a Protest Committee (typically 3 people) will be arranged.
- iii) Any boat that has broken a rule (of Part 2) will be disqualified.

12.3.1 Protest Forms are available from the Race Office or the Sailing Notice Board in the clubhouse.

12.3.2 Time Limit to submit Protest Forms, Requests for Redress and for protests brought by the Race Committee concerning incidents they have observed in the race area

60 minutes after the last boat in the respective class has finished the last race of the day for that class. (Changes RRS 61.3 and 62.2)

12.3.3 Receipt of Protest Forms and/or Requests for Redress

It is the sole responsibility of the protesting party to submit the completed form to a member of the Race Committee within the Protest Time Limit, or failing that, to a responsible person (Committee Member, Class Captain, member of Staff), and to ensure that the recipient signs the form as received, together with date and time of receipt. The protesting party shall also ensure that the received form is posted in the club office letterbox immediately.

12.3.4 Witnesses It is the sole responsibility of the parties to the protest to ensure that they, or their representative, and their witness(es) attend.

12.3.5 Notice of Hearings For the purposes of RRS 63.2, parties to a protest will be notified by email or by post.

12.4 Right to Protest Denied (change to RRS 60.1(a)) Breaches of SI 15.1.3 (Trolley Tags) and SI 9.4 (Retiring Boats) are not grounds for protest by another competitor.

- ii) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore.
- iii) They accept responsibility for any injury, damage or loss to the extent caused by their own acts or omissions.
- iv) Their boat is in good order, equipped to sail in the event and they are fit to participate
- v) The provision of a Race Management Team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities.
- vi) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
- vii) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue, and to attend any safety briefings for the event.
- viii) They are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather, that there is crew sufficient in number, experience and fitness to withstand such weather, and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.
