8.3 Observation of Marks and Gates

Unless otherwise stated all marks are to be *rounded*. The required side of a mark is given by either 'S' or 'P' in parenthesis, or the words 'Stbd' or 'Port', indicating starboard or port respectively. Where all marks are to be rounded on the same required side, the side is given at the end of the course, e.g. {BL, PIC, 36, YG} cont. (P).

Where North Channel (N-CHAN), or HAV-RETURN are defined as a mark, boats shall comply with the corresponding course fragment defined in section SI 8.2.

8.4 Continuous Courses Courses not identified in this course book as continuous can be selected as continuous. This will be indicated by the use of the "continuous" board below the appropriate class course board on the Race Hut (see figure inside rear leaf of this book). Courses defined as continuous in this course book do not need to be so indicated. Continuous courses will be finished by shortening at the Race Officer's discretion.

8.5 {} Notation for repeated laps

For courses including the { } notation, the course fragment shall be repeated until the course is shortened unless followed by x 2 or x 3 indicating that the fragment is to be sailed either twice or three times, as appropriate eg:

HAM, { PIC, 36, YG } cont. (P) means: HAM(P) then repeats of PIC(P), 36(P), YG until shortened
HAM, { PIC, 36, YG } x 2 (P) means: HAM(P), PIC(P), 36(P), YG, PIC(P), 36(P), YG.

8.6 Ad-Hoc Course '99'

8.6.1 Course 99 is a course, not included in Course Sections 1 to 8 and Section 10, using marks described in SI 8.2 'Description of Marks'.

8.6.2 No class may specify a '99' course without the prior agreement of the Race Officer.

8.6.3 When Course 99 is used, it shall be displayed on the Course Board ashore, at least 30 minutes before the scheduled start for the race to which it applies.

8.6.4 Once displayed, a '99' course may not be changed to a different '99' course, but may be changed to another course within Course Groups 1 – 10, within the constraints of RRS 27.1

8.6.5 Cruisers and R 19 only When competitors are advised of their course by VHF (see SI 14.2), the Race Officer may change Course details without using a '99' course.

8.6.6 All Classes A mark may be substituted by either a Temporary Mark or other mark described in SI 8.1, or omitted from the Course, by the Race Officer without using a '99' course, providing that such change is posted on, or in the proximity of, the Course Board ashore at least 30 minutes before the start of the race(s) concerned.
